PROFILE

UI designer skilled in creating intuitive, user-friendly interfaces for responsive and native apps. Driven to learn new skills, thrives in ambitious teams, and seeks to solve meaningful problems. Has a strong background in client-facing industries.

EXPERIENCE

UI Designer/Web Developer | 11/2021 - 11/2022

- Created user interfaces through research, design, and testing.
- Projects include a location-based responsive web app for discovering dispersed campgrounds, an e-commerce responsive web app, and iOS and Android native apps for tackling food waste in communities.
- Built portfolio website using HTML, CSS, and JavaScript

WORK EXPERIENCE

Founder of Gilly English and English Language Teacher | 01/2015 - 11/2022

- Educated clients to communicate effectively in English for personal, academic, and business scenarios.
- Assessed clients' needs periodically, coordinated flexible client schedules, and planned personalized lessons.
- Coached 400+ students, held a 5-star rating on italki, and established trusted client relationships.

Childrenswear Production Assistant | 09/2011 - 10/2014

- Prepared curated wholesale packages; collaborated with factories, agents, and clients; managed accounts; and oversaw production checks and stockist order deliveries.
- Executed tasks to successfully eliminate major production roadblocks and deliver high-quality garments on time, helping the brand grow from 5 to 40+ stockists.
